

Public Safety Center Usage Policy
City of Gonzales

Purpose:

To enhance the education, training and quality of life in this community through the presentation of programs to improve public safety and emergency preparedness.

Requesting Usage:

All requests to use the Public Safety Center shall begin by calling Jessica Breaux at 644-5307 to complete a questionnaire as to the use. The requester will be contacted back to confirm reservation after approval by the Fire Chief to assure the use meets the adopted purpose. In addition a fee may be imposed for expenses to the City.

Acceptable Purposes for Usage:

1. Officially sponsored functions by the Police Dept., Fire Dept. or City Administration.
2. Emergency training for outside agencies and companies that provide public safety services to the public.
3. Training and education that will enhance the safety of our community
4. Training and education that will promote better mutual aid response to our community.

The final decision as to the use of the building shall be at the discretion of the Fire Chief.
